

Corporate Presentation Guidelines & Branding Standards

Document Ref:	MRPL/CORP/IT-SEC/PG-2026/V2	Effective Date:	01 October 2026
Issued By:	Corporate Communications & IT Dept	Applicability:	All MRPL Directorates & Business Units
Classification:	INTERNAL POLICY	Approved By:	Executive Committee (EC)

MANDATORY COMPLIANCE NOTICE

All presentation decks prepared for Board Meetings, Executive Committee (EC) reviews, Ministry of Petroleum & Natural Gas (MoPNG) updates, Joint Ventures, and internal refinery technical reviews must strictly adhere to this standardized framework. Non-standard templates and unauthorized cloud processing are strictly prohibited.

1. PURPOSE & CORE GOVERNANCE PRINCIPLES

As a major PSU and subsidiary of ONGC, MRPL handles highly sensitive operational, financial, and strategic data —ranging from Crude Distillation Unit (CDU) yields, margin optimizations, and shutdown schedules to commercial negotiations and MoPNG reporting. Presentations represent official corporate records and must reflect utmost precision, visual discipline, and strict security compliance.

2. SLIDE FORMAT, MASTER LAYOUTS & TYPOGRAPHY

To ensure uniformity across all departments (Refinery Operations, Finance, Commercial, HR, Materials, and HSE), all slides must use the official MRPL PowerPoint Master Template available on the internal intranet portal (<http://intranet.mrpl.co.in/templates>).

Element	Approved Standard	Non-Compliant Practices (Strictly Avoid)
Aspect Ratio	16:9 Widescreen (Standard for all displays/projectors)	4:3 Legacy ratio or custom sizes
Primary Colors	MRPL Deep Blue (RGB: 0, 45, 98) ONGC Amber Accent (RGB: 217, 119, 6)	Neon shades, unapproved gradients, secondary public brand colors
Typography	Headings: Arial / Segoe UI (Bold, 20pt–28pt) Body: Calibri / Arial (12pt–16pt)	Decorative fonts (Comic Sans, Impact), font sizes smaller than 10pt
Logos	Official MRPL logo paired with ONGC subsidiary tagline on Title Slide (Top Left / Centered)	Stretched, pixelated, recolored, or modified corporate logos

3. MEETING-SPECIFIC STRUCTURE GUIDELINES

A. Board & MoPNG Review Decks

- Executive Summary Slide: Mandatory key takeaways slide immediately following the title.

- **Format:** High-density tables, concise bullet points, clear KPI cards.
- **Financials:** Figures must be in ₹ Crores with clear YoY or QoQ comparison columns.
- **Limit:** Maximum 15 content slides (Annexures placed in a separate appendix section).

B. Technical & Refinery Operations Decks

- **Schematics:** Use high-resolution, simplified Process Flow Diagrams (PFDs). Avoid pasting raw CAD/P&ID files.
- **Safety Focus:** Technical slides must include an HSE Impact Assessment summary where relevant.
- **Data Integrity:** Engineering metrics (MBPSD, MMTPA, GRM) must match SAP/LIMS official logs.

4. INFORMATION SECURITY & DATA CLASSIFICATION HEADER RULES

Every presentation slide must bear a mandatory security classification header in the upper right corner, along with standard copyright and confidentiality footers.

Classification Type	Badge Style	Applicable Content / Scenarios
MRPL RESTRICTED	RESTRICTED	Refinery design schematics, unannounced turnaround plans, wage settlement notes, tender evaluation reports.
MRPL CONFIDENTIAL	CONFIDENTIAL	Monthly Gross Refining Margin (GRM), board notes, Ministry briefing decks, financial forecasts.
INTERNAL USE ONLY	INTERNAL USE	Internal departmental SOP reviews, training presentations, townhall decks, routine committee updates.

5. DATA SOVEREIGNTY & AIR-GAP AI POLICY

STRICT IT & CYBERSECURITY COMPLIANCE

MRPL data must never leave the enterprise boundary. Employees are strictly prohibited from uploading draft presentation notes, operational figures, or internal documents to public AI tools (e.g., public ChatGPT, Claude, Microsoft Copilot, or web-based summarizers).

Approved AI Assistance: Presentation summaries, draft rewrites, and statistical formatting must be processed exclusively through **MRPL Sovereign Air-Gapped AI Workbench** deployed on local premises.

6. SUBMISSION TIMELINE & APPROVAL WORKFLOW

1. **Draft Finalization:** Presentation deck must be finalized **T-4 days** before scheduled EC or Board meetings.
2. **Departmental HOD Sign-off:** Respective General Manager / Chief General Manager must approve the content and security classification.
3. **Secretarial Upload:** Approved decks must be uploaded as password-protected PDF/PPTX to the internal Board Management System (BMS).
